UN-SDGs: Partnerships to achieve the Goals: Civil Society Response in India

Celebrated 9th Foundation Day

15th April 2026

www.vikashsamukhya.in www.vikashsamukhya.org

*****May Day Greetings*****

In the month of **June 2018**, we had started our first issue of **AIHMS PARTNERS PAGE** as a humble monthly publication with a total circulation of 1,000 copies to all partners and patrons. After months of consistent efforts, we are proud to reach 8,000+ national & international institutions and 80,000+ individuals every month.

The current issue of **AIHMS PARTNERS PAGE** is being published as a tribute to all our 535 CSO Partners all over India, working on 17 SDGs across 25 states and 2 union territories. We are honoured to publish the **95th Edition of AIHMS PARTNERS PAGE** for your ready reference of our activities in India. However, all the earlier volumes have been made available in both of our websites that can be reached by you at any time:

<https://aihms.net/e-newsletter.html>

<https://www.vikashsamukhya.in/e-newsletter.html>

As you can well recall that the severe outbreak of **COVID-19** in **April 2020** has led to many of our consortium members doing their best to help the cause by supporting the marginal and outreach communities living in remote areas of different backward districts in India.

Sincerely, we thank you for your encouragement and support all these years and look forward to working with you in near future when another new wave of **COVID-19** Respiratory Infections is threatening us right now.

~AIHMS-Global & VIKASH-SAMUKHYA Team
